Helmet Acknowledgement and Release

I acknowledge that the inspection of my helmet by members of the *Allegheny Chapter*, BMW Car Club of America, Inc. is for the sole purpose of determining whether my helmet has met the minimum standards of the Snell Memorial Foundation and that it appears from a visual inspection to contain the appropriate Snell rating sticker and to be capable of meeting those standards at the present time. I represent that I am over the age of 18 years (or if between 16 and 18, I have signed a minor release wavier), that I understand that I am participating in a dangerous event, and that my helmet has not previously been worn in a collision or struck by a hard object.
