Wednesday July 22 6:00 – 9:00 pm

BANK OF AMERICA 

Bring your car, your friends and family and join the party at this summer in Market Square! The party rolls on at Nola on the Square and in the adjoining Metropolitan Club where Bank of America will entertain their clients. There will be a spectacular car showcase in Market Square and the surrounding streets featuring special Corvettes, Vipers and vintage Indianapolis 500 race cars! The car showcase and Market Square will be open for the public to see – reminiscent of our early Tune-Up Parties at Bossa Nova and the Roberto Clemente Bridge.

Sponsorship includes event tickets and showcase parking in Market Square. Logos will appear on banners, signage and on the PVGP website.
