Legends of Schenley Park Page 3 of 3 As of 2015

Christopher Morici - 30 Years

This year PVGP inaugurated a Legends of Schenley Park to recognize drivers who had raced there 15 or more years. Over 50 drivers received patches celebrating their achievement. We counted 25 who also participated this year, including these three 30+ year pilots. Hope we got them all, please advise if we missed anyone.

Legends of Schenley Park - Page 2 of 3 - As of 2015

Not to leave anyone out, we'll take three slides to recognize those who were so honored. Our own experience with PVGP goes back to 1989. Over that time, we have spectated, worked and photographed the event from both sides of the spectator fence. We can remember heat, cold (once) and rain, but above all, always enjoying ourselves.

Last, but hardly least, here are the last of our Legends. Next year's race at Schenley Park will be held the weekend of July 15-16, 2017 with a 35th anniversary celebration. Camaro will be the featured marque. Festivities will kickoff a week earlier with a vintage race at Pittsburgh International Race Complex. In between the races there is a week long list of activities.
